

## AMERICA FIRST—MILWAUKEE

### Secure the Border, End Human Trafficking, and Defeat the Cartels

#### ★ Current Border Crisis Overview

##### **Americans overwhelmingly disapprove of the border crisis created by President Biden:**

- ★ 68% disapprove of Biden's handling of immigration (AP and NORC).
- ★ 66% think the border is worse off now than it was under the Trump Administration (KAConsulting).

##### **President Biden's policies have created America's current historic border crisis:**

- ★ In his first 100 days, President Biden issued **94 executive actions** that undid President Trump's successful border policies.
  - Biden has allowed more illegal aliens into the country than the population of **44 U.S. states**.
  - Nearly **1,400 pounds** of deadly fentanyl were seized at the border in just one month this year, yet much more is getting through.
  - Fentanyl is now the **leading cause of death** for Americans aged 18 to 45.
  - **367 Known or Suspected Terrorists** have crossed the border under Biden. This month, eight suspected terrorists with ties to ISIS were caught after crossing the southern border using the CBPOne app.

#### ★ America First Solutions

There's already a playbook to secure the border: Reinstate effective policies from the Trump Administration that enforced the law and prioritized security.

##### **America First Policies to Solve the Border Crisis:**

- ★ **Reinstate Effective Policies:** These policies secured the border, reduced illegal crossings, and held illegal aliens accountable for violating immigration law.
- ★ **Finish Building the Wall:** Continue construction of the border wall to prevent illegal entries.
- ★ **Mass Deportations:** Enforce existing immigration laws and remove illegal aliens; prioritize the removal of those who have committed crimes.

- ★ **Let Border Patrol Do Its Job:** Get Border Patrol agents back on the line to secure the border instead of spending their time processing and releasing illegal aliens into American communities.
- ★ **Implement Stronger Penalties:** Impose harsher penalties for illegal crossings and related criminal activities.

**By adopting these America First policies, we can restore order at our borders, protect American citizens, and uphold the rule of law.**
