### MIKE HUCKABEE

United States Ambassador to Israel

Mike Huckabee, born in Hope, Arkansas, is a former Governor of Arkansas (1996–2007), a prominent conservative leader, and the newly appointed U.S. Ambassador to Israel. Renowned for his decades-long advocacy for the U.S.-Israel alliance, Huckabee has been a vocal supporter of Israel's sovereignty, security, and its historic right to Jerusalem as its eternal capital. He played a key role in building grassroots support for the relocation of the U.S. Embassy to Jerusalem and has championed the Abraham Accords as a transformative step toward peace in the Middle East.

A frequent visitor to Israel, Huckabee has led dozens of delegations to the region, facilitating partnerships between American and Israeli leaders in business, faith, and government. He has been a steadfast advocate for combating antisemitism and promoting U.S.-Israel collaboration in areas such as defense, technology, and economic development.

As Governor, Huckabee spearheaded transformative initiatives in education, healthcare, and infrastructure, including the ARKids First program, the modernization of state highways, and comprehensive welfare reform.
