

BIDENOMICS IS GRILLING AMERICANS' WALLETS THIS SUMMER

May 24, 2024

THE BIDEN ADMINISTRATION IS TRYING TO GASLIGHT THE AMERICAN PEOPLE INTO NOT BELIEVING THEIR OWN EYES AND WALLETS.

President Biden has **repeatedly claimed** that inflation was 9% when he took office.

In reality, inflation was just **1.4%** when the Biden Administration started in January 2021.

The American people won't be fooled.

They know that Bidenomics has caused **prices to increase by 19.9%** since January 2021.

Prices are painfully high this summer thanks to the Biden Administration's failed policies.

In fact, **half of all Americans plan to skip their summer vacation** this year, citing affordability as their main concern.

Nearly 40 million Americans will travel by car this weekend.

Thanks to Bidenomics, they'll be paying

51% more to fill up the car,

52% more for car insurance

30% more for car repairs

compared to early 2021.

Nearly 4 million Americans will travel by plane this weekend.

Thanks to Bidenomics, they'll be paying

38% more for plane tickets

compared to early 2021.

Planning to catch the big game?

Thanks to Bidenomics, they'll be paying

15% more for sporting event tickets

since just last year.

Planning a cookout this weekend?

Thanks to Bidenomics,

cookout prices are up 10%

since just last year.

Cookout Price Hikes since just last year:

Relish: +49%

Burgers: +15%

Beer: +10%

Steaks: +7%
