

BIDENOMICS IS GRILLING MICHIGANDERS' WALLETS THIS SUMMER

Aaron Hedlund | July 2024

THE BIDEN ADMINISTRATION IS TRYING TO GASLIGHT MICHIGANDERS INTO NOT BELIEVING THEIR OWN EYES AND WALLETS.

President Biden has **repeatedly claimed** that inflation was 9% when he took office.

In reality, inflation was just **1.4%** when the Biden Administration started in January 2021.

The average American worker has **lost thousands of dollars** in annual **purchasing power**.

They know that Bidenomics has caused **prices to increase by 19.9%** since January 2021.

Prices are painfully high this summer thanks to the Biden Administration's failed policies.

In fact, **50% of all Americans plan to skip their summer vacation** this year, citing affordability as their main concern.

Energy prices have **skyrocketed** for Michiganders:

SINCE 2021

Electricity is up **22%**

Gasoline is up **63%**

Natural gas is up **17%**

Are you planning on buying a ticket to see a concert, game, or movie?

SINCE 2021

Recreational activity prices are up **20%**

Do you want to have family and friends over for a **cookout**?

SINCE 2021

Beef prices are up **41%**

Chicken prices are up **10%**

Bread prices are up **38%**

Egg prices are up **85%**

Potato Chip prices are up **27%**
